**THE OFFER**  
**in response to inquiry No. 163/2022**

**1. Order description:**

The subject of the inquiry is the purchase and delivery of 3D printer, which will be used to perform industrial research and development works planned under the implementation of the project: “3D bioprinted liver tissue with vascular system as an innovative model for assessing drug toxicity and effectiveness of oncological therapies”.

**2. Price:**

The proposed net price:

.....

price in words:

.....

The proposed gross price :

.....

price in words:

.....

**3. Offer validity period:**

The offer is valid for ..... days counting from the deadline for submission of offers.

Technical specification for 3D printer:

Lp.	Technical specification for 3D printer::	<b>Bidder / confirmation</b>
1.	Technical specification for 3D printer: - enabling high print throughput; - enabling obtaining high-fidelity printing; - enabling printing of microfluidic systems; - enabling printing with hydrogels; - working with projected light wavelength 405 nm; - enabling to project images in 1280 x 800 pixels resolution; - Pixel resolution (XY) no less than 50 µm; - compatible with STL files; - with no less than 50 µm pixel resolution; - connectivity via USB-A, USB-C; - Z-precision no less than 5 µm; - intensity range no less than 10–30 mW/cm <sup>2</sup> ; - maximal build volume 65 x 40 x 50 mm; - equipped with a touch panel to operate the device and monitor printing parameters or an equivalent solution; - made of resistant to ethyl alcohol or other substances for disinfection materials; - operating under the voltage of 230V/50Hz; - CE certified; - 12 Months warranty.	<b>YES / NO *</b>

4. We declare that we meet the requirements for participation in the procedure and we are not personally or financially related to the Ordering Party.

Financial or personal ties are understood as mutual ties between the Investor or his representatives authorized to enter into contractual obligations on behalf of him or persons acting on behalf of the Investor with regard to preparation and conduct of procedures for selecting the Contractor , in particular:

- 1) participating in the company as a partner in a civil partnership or partnership,
- 2) owning at least 10% of shares or stocks,
- 3) full-fledged supervising or managerial supervision, proxy,
- 4) remaining in marital relationship or other family relationship of adoption, custody or guardianship
